

How to Create a Schoology Parent Account using a Student Access Code

1. Go to schoology.com and click on Sign Up then Parent

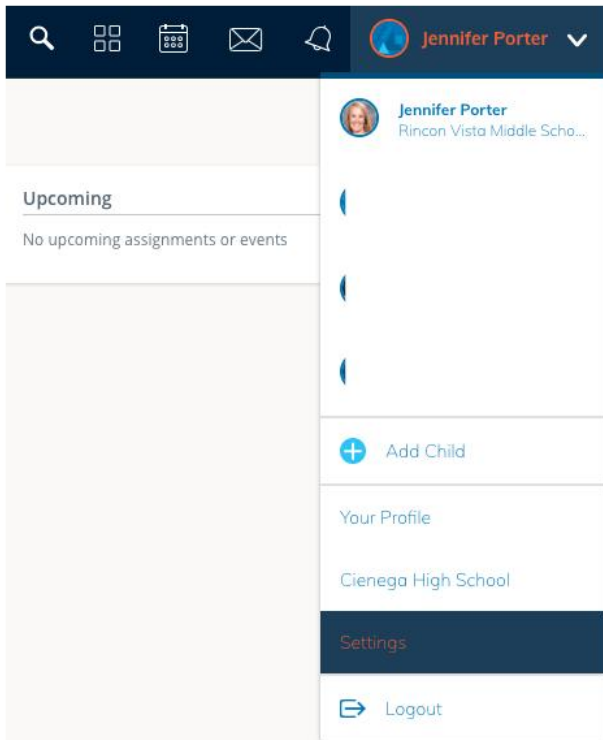

2. Enter the 15 digit (including dashes) access code provided by your child's teachers or Ms. Porter

3. Complete the registration form with your information (don't forget to click the privacy agreement!)

That's it! You can now use the guided tour to look around and see what is going on in your student's classes.

Have more than one student at a Vail School? Add them all to the same parent account!

1. Click on your name then click on “add child”

2. Enter the additional student’s access code and confirm it. That’s it!
