# Teams Navy/Spirit Algebra: (Shelby Jones)

*Note: This does not pertain to all 7th graders. Please check your student's schedule.*

- 1 composition notebook (college ruled)
  - 1 — 2 pocket folder, with prongs
  - 1 pack of college ruled notebook paper
  - pencils
  - Pens for grading
  - Highlighters
  - Expo Markers
- \*Recommended: Scientific calculator (TI-30XIIS or TI-30Xa are the best)\*

## SHYANN KINDNESS DONATION:

RVMS has been a proud supporter of the Shyann Kindness Project for the past 9 years. The Mission of the Shyann Kindness Project is to serve and put smiles on the faces of underprivileged, at-risk, and medically fragile children by providing fun and needed gifts while promoting and teaching kindness and acceptance of all people.

Please consider helping start the new year off with a small contribution of school supplies: packs of pencils, notebooks, crayons, markers, glue sticks - simple, inexpensive items that will go a long way to helping children in need. Please bring to your student's Advisory. Thank you!
