**Last year we collected 114,000 diapers for the Diaper Bank of Southern Arizona!
With an even greater need this year, we hope to collect even more!**

Few resources are available to meet the need for roughly 2 million diapers annually.

We need your help to bridge that gap!

Both baby diapers and adult incontinence products are needed.

Thank you to Park Place Covered RV and Storage
for providing us a place to store the diapers during the drive!
